

Junior Optimist Clubs Fee Structure

(All fees are noted in U.S. dollars unless otherwise stated.)

Enrollment and Registration Fees

When chartering a new Club, the following fees should be sent to the Junior Optimist Clubs Department:

- A one-time \$50.00 enrollment fee
- A \$60.00 registration fee - prorated monthly (see chart)

These special fees are used to cover the costs of processing, start-up materials, membership cards and postage.

Membership Fees (Dues)

Only the first 50 Members of a Club pay international membership fees (dues), regardless of the total number of Members on the roster. For new charters, these fees are prorated quarterly (see chart).

Tiers are defined by the World Bank as High Income Economies (Tier 1), Upper Middle Income Economies (Tier 2) and Low and Lower Income Economies (Tier 3). For example, Clubs in the U.S. and Canada are in Tier 1. For questions about tiers, call (800) 500-8130.

Membership fees (dues) help defray the administration of the Clubs program. Administration includes, but is not limited to. Club/District awards, postage. Club supplies, District officer newsletters. Club mailings, recruitment/training videos, board meetings, the *Torch* (Member newsletter), training modules and the International Convention.

New Members may be added any time. The membership fee is pro-rated quarterly (see chart). Any members beyond 50 should be reported as new members and no dues remitted.

All Members receive a copy of the *Torch* newsletter, membership cards and member certificates.

Billing Cycle

Existing Clubs are billed once a year for registration and membership fees. These invoices are mailed to sponsoring Optimist Club Secretary-Treasurers and Club Advisers in October. Each Club should submit an annual roster with its check so the correct dues payment can be verified.
